Art Unit: 2891

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

This application is in condition for allowance except for the presence of claims 28-57 to an invention non-elected without traverse. Accordingly, claims 28-57 have been cancelled.

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose a memory device with a plurality of device structures disposed on the plurality of first electrode lines forming the plurality of self-aligned nano-rectifying elements, each device structure having at least one lateral dimension less than about 75 nanometers, and a plurality of switching elements disposed over and self-aligned in at least one direction with the device structures, and a plurality of second electrode lines as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
